OREGON STATE UNIVERSITY

Oregon State University, Oregon's oldest state-supported institution of higher learning, recently celebrated its 100th Anniversary.

It was on Oct. 27, 1868, that a small academy incorporated as Corvallis College in 1858, was officially designated the state land-grant college of Oregon.

OSU enrolls more than 14,500 students annually, conducts research programs, and administers the Cooperative Extension

Service in all counties of the state. The main campus is in Corvallis, a city of 34,000 people near the center of the Willamette Valley, eighty miles from Portland and fifty miles from the Pacific Ocean. The University also has a Marine Science Center at Newport, a Seafoods Laboratory at Astoria, an ocean-going research vessel docked at Yaquina Bay, thousands of acres of forest lands, and branch agricultural experiment stations at several locations in the state, and OSU is one of the first three universities to be designated as a "sea grant" school.

A Beautiful Campus

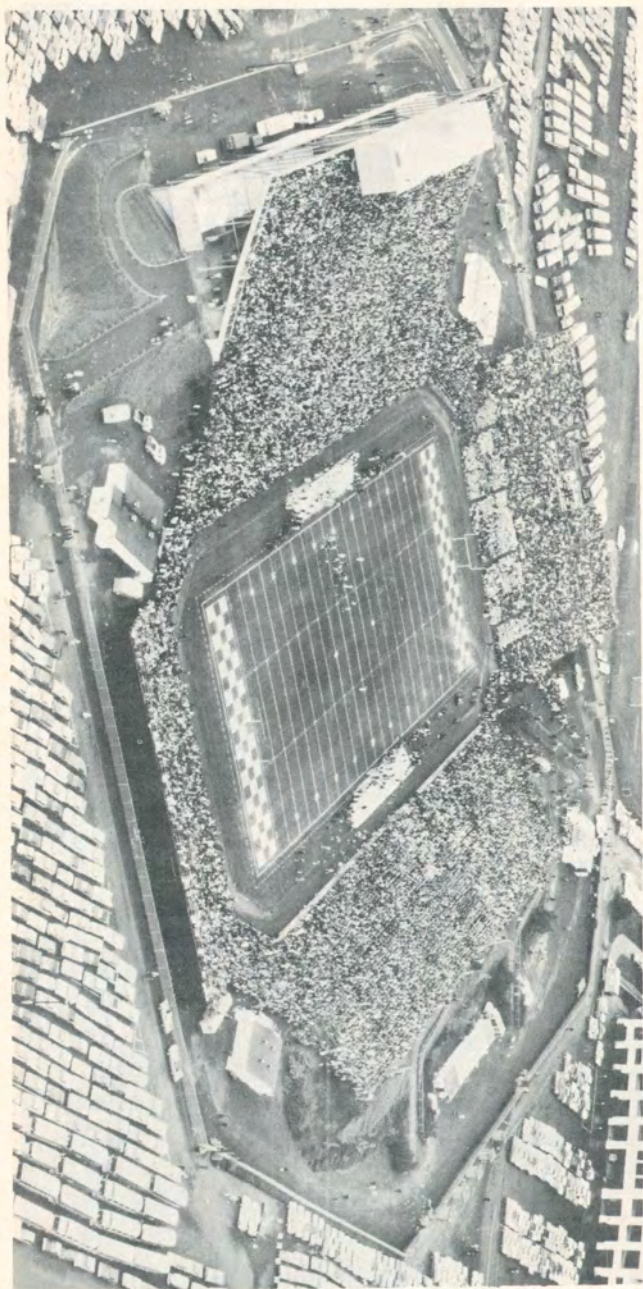

Oregon State has a handsome, well designed campus of about 400 acres—with several thousand acres of farm and forest lands nearby. The wide lawns, shaded walks, and landscaped gardens of the main campus make this a pleasant place in which to live and study. The new Library is one of the finest in western United States. Other new buildings being constructed, and older ones being remodeled, fit into a newly approved long-range plan for campus development. Classroom buildings are so arranged as to be within easy walking distance of one another and of most of the living groups.

Student life and activities, especially student government, publications, and social events, center in the beautiful Memorial Union. The Mitcheli Playhouse provides excellent facilities for dramatics and other forensics. Music groups perform in the Home Economics Auditorium and the Coliseum. Several galleries provide display areas for student art and traveling exhibits. Recreational facilities for men and women and playing fields for intramural sports lie close to the heart of the campus. The Coliseum, stadium, track, tennis courts, and baseball field are within easy reach of the living groups.

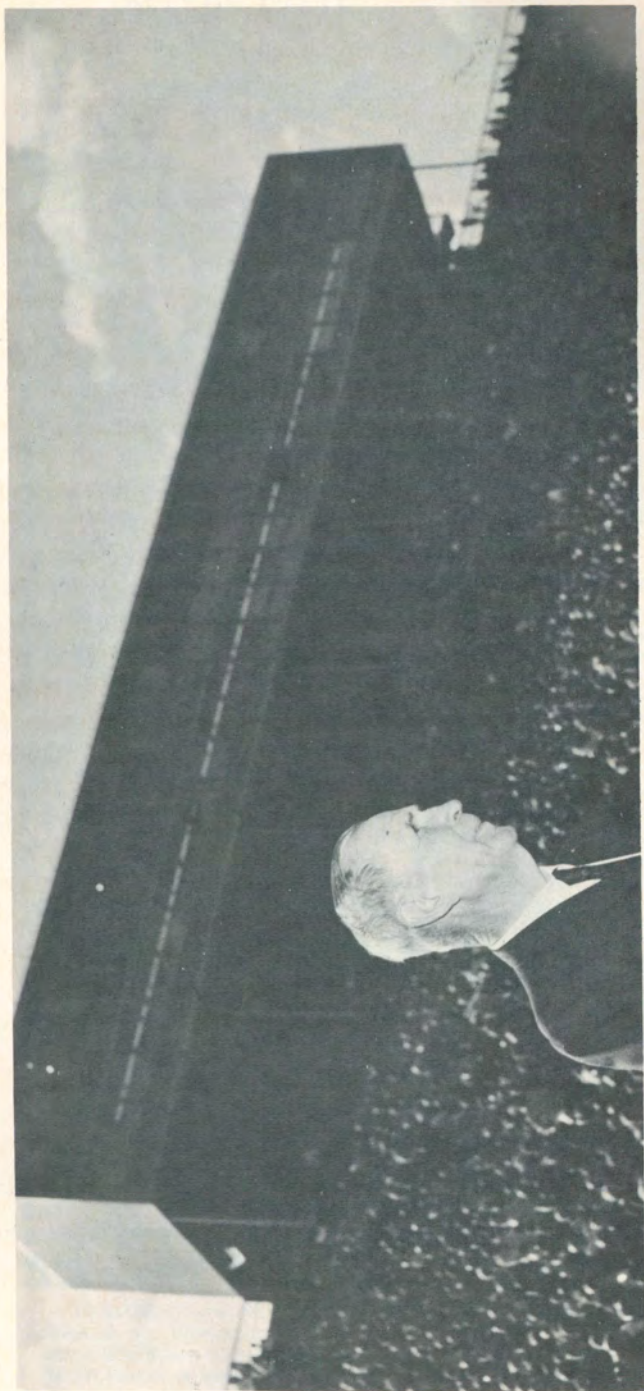

Statistical Data on Corvallis, Oregon

Historically, Corvallis—first named Marysville—was settled in 1845, the name changed to Corvallis in 1853 and the city chartered by the legislature in 1857. Benton County was created by an act of the Territorial Legislature on December 23, 1847 and named for Sen. Thomas Benton of Missouri, who was long an advocate for the development of the Oregon Territory. The name Corvallis is said to have been a Latin compound intended to mean "heart of the valley".

LOCATION: Corvallis, the county seat of Benton County, is located at the intersection of U.S. Highways 99-W and 20 on the Willamette River, 80 miles south of Portland and 50 east of the Pacific Ocean in one of the nation's most productive valleys.

PARKER STADIUM

Charlie Parker, OSU graduate for whom Parker Stadium is named.

PARKER STADIUM

"Home of The Beavers"

Parker Stadium, right in the heart of the beautiful Oregon State University campus, ranks as one of the finest and most up-to-date football plants in America.

Two years ago, they added 9000 west sideline seats, bringing the total capacity to 40,750 seats. An overflow crowd of 41,494, largest ever to witness an athletic event in the state of Oregon, was on hand to watch Oregon State hand National Champion Southern California its only 1967 defeat (3-0).

About 27,500 seats at Parker Stadium are of the sideline variety. There are 82 rows on the west sidelines and 40 rows on the east sidelines, and the entire east sideline of 9000 seats has been turned over to OSU students. "If student interest remains high, and students fill the entire east sideline for our home games, there is no reason why this cannot become a permanent arrangement," Athletic Director Jim Barratt said.

Parker Stadium is named for Charles T. Parker, a Portland businessman and OSU graduate who played a major and financial role in its opening in 1953. The stadium was built at no cost to taxpayers, through donations from OSU alums and friends. Original seating was 28,000, which at that time appeared adequate.

Two years ago, additional seats in the end zone and corners raised the total capacity to 33,000. Then, in time for the 1967 season, the new west sideline addition raised it to 40,750, and contributions again helped make this possible. Mr. Parker made a sizeable contribution, just as he had in 1953, and his gift was matched. Jack Brandis, Portland and Corvallis forestry executive, headed up a small committee that secured the matching funds. OSU athletic department funds also were used.

This past summer, Astro-Turf was installed at Parker Stadium, also new lights for night football and other events. Asphalt base and general work cost \$69,361, lighting cost \$52,168, and the Astro-Turf \$203,505. Miscellaneous and contingency made the estimated total figure \$350,000.

Chief architect for the new addition was Don Zarosinski, Portland engineer. Zarosinski received his B.A. and M.A. degree in Engineering at OSU and played three years of varsity football for the Beavers (1949-51).

Parker Stadium is picturesque, as well as practical. There's a lot of parking space, within close walking distance of the stadium. Every seat is a good seat, with no posts. From some of the higher rows, one has a beautiful view of the McDonald National Forest, Mary's Peak and the Coast Range of mountains. Dressing rooms for players are located in close-by Gill Coliseum, less than 100 yards from the playing field.

NEW PRESS BOX PRAISED

The press box, high atop the west sideline stands, is one of the most workable to be found anywhere. It's big, the view is terrific and it's practical.

First floor is strictly for members of the working press. There are 56 seats in the front row, and 52 seats in the elevated back row, with lots of walking room in between. Nobody is crowded. Another big working area is located back of the two press rows, where Western Union machines and operators are situated. Also, there is a lunch bar, with tables, chairs, etc., plus cheerful employees anxious to serve the media. The Memorial Union Building catering service provides tasty dishes, such as fried chicken, roast beef, etc.

The second floor is reserved for radio and TV media, plus home and visiting coaches (phones to field). Two huge TV and photography booths are 22 feet 6 inches across each, and 27 feet deep. Ten smaller booths, each 11 feet 3 inches across and 27 feet deep, are used by radio, coaches, statisticians, etc. Under good weather conditions, the press box roof also could be used for TV or photography purposes.

One of the newest—and best—additions is the press box elevator, which was made possible by a donor who prefers to remain anonymous. The elevator runs from the lower level to all floor levels.

And if all this isn't enough for visiting scribes, the Parker Stadium press box is adorned by 10 attractive ladies who act as usherettes, food waitresses and smiling hostesses. They're mini-skirted members of the Corvallis high school "Sparta-Pacers" drill group. They'll usher you to your seat, bring you coffee or soft drinks and run errands if necessary. Oregon State University takes great pride in having this group of high school seniors on its working staff at the press box.

The Astro-Turf Story

Oregon State University is extremely proud of its new Astro-Turf, installed at Parker Stadium in Corvallis in time for the 1969 season.

Athletic Director Jim Barratt and various members of the Physical Plant and OSU staff conducted a vast research before deciding on a certain brand of synthetic turf. The all-weather and all-purpose Astro-Turf field, along with new lights installed this summer, gives OSU a plant that can be used for many purposes.

High school games will be played at Parker Stadium on Friday nights, as one example. And, of course, it can be used for Beaver grid practice sessions, rugby and soccer games, band rehearsals, intramurals, physical education and many other phases. Cost was \$69,361 for asphalt base and general work, \$52,168 for lighting and \$203,505 for the Astro-Turf itself.

Here are some questions and answers about Astro-Turf:

Who makes Astro-Turf? Answer—The Monsanto Company, one of the world's major science-based companies, a leader in nylon research and innovation. Monsanto has 61,000 employees, with headquarters in St. Louis, Mo.

Where are there Astro-Turf athletic fields? Answer—University of Alabama (Denny stadium); Astrodome (Houston U., Houston Oilers, Houston Astros), Flint Mich. (Atwood stadium), Hofstra State (N.Y.) University, Indiana State University, Seattle Memorial Stadium, University of Washington, White Sox Park (Chicago) and University of Oregon.

How has Astro-Turf changed since the original Astrodome installation? Answer—It has undergone considerable improvement since first installation in 1966. The present football surface has a rugged 45 ounces of special nylon face fiber per square yard and a 5/8 inch shock absorbing pad bonded to it. The Astro-Turf in the Astrodome, going strong after years of use, has 32 ounces of nylon per square yard and originally had no pad. All Astro-Turf is made of 500 denier nylon.

What does "Denier" have to do with it? Answer—The husky 500-denier construction of Astro-Turf nylon is basic to the success of a synthetic playing surface. Denier is a term used to measure the weight of a single strand of nylon. The heavier the denier, the greater the resistance to wear and ultraviolet light. It makes for superior traction and helps achieve better drainage. Standard industry tests show that a thinner fiber, say 50 denier, will not stand up to heavy duty use and ultraviolet rays of the sun.

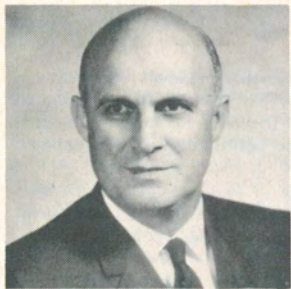

How is Astro-Turf installed? Answer—The surface and shock-absorbing pad are bonded directly to the asphalt base. The Astro-Turf is put down in rolls 15 feet wide by up to 200 feet long. The rolls are usually seamed together on the marking stripes.

Does Astro-Turf drain? Answer—Excellent drainage is achieved by crowning the field by some 14 to 18 inches. The material is impervious to water, and the crown, lower than many natural grass fields, allows the water to drain off the field to the sides.

What about injury reduction? Answer—Crippling knee and ankle injuries, the most common serious football and soccer injuries, are reduced up to 80 per cent on Astro-Turf. Cleats never penetrate through Monsanto's 500 denier nylon fiber, eliminating foot lock. The foot is free to move with the blow instead of catching in the ground.

Are there other Astro-Turf surfaces? Answer—Yes, there are specially-engineered nylon Astro-Turf surfaces for golf tees, golf greens, playgrounds, field houses, landscaping and tennis.

JIM BARRATT — Athletic Director

Athletic director at Oregon State is personable Jim Barratt, who, over a 15-year period, worked his way up through the ranks of athletic heirarchy at OSU.

Barratt, 44 years of age, was appointed to the post in 1966, following the death of Slat's Gill.

Barratt is Oregon State personified, and his roots are deep. As an undergraduate at OSU, he was editor of the school daily paper, The Barometer, and extremely active in campus affairs. Following graduation in 1950, he became assistant alumni director, and a year later moved over to the athletic department as ticket manager.

Next came the role of athletic business manager, and when Gill became athletic director in 1964, Barratt moved up to the post of assistant athletic director. Then, immediately after Gill's death, Jim became acting director, prior to the final permanent appoint-

A native of Heppner, where he was raised and graduated from high school, Barratt later enlisted in the Navy for World War II and saw a lot of overseas duty. In 1946, when he entered OSU, he married his childhood sweetheart, the former Dorothea Wilson. They have two daughters and one granddaughter.

Barratt handled all ticket sales for many years and his never-ending enthusiasm and attention to details helped establish him as one of the top men in the field. As chief aide to a pair of fine athletic directors, Spec Keene and Gill, Jim helped with virtually every affair of the department and learned his apprenticeship well.

The athletic boss for the Beavers has been well-trained for his job and has the personality and business-sense to go with it. Oregon State can look forward to an era of sound athletic accomplishment under his guidance.

COMM HENNESSY, athletic business manager, has been with the athletic department since February 1, 1961, after serving nine years with the physical plant at Oregon State. He was born in Fontana, Kansas, but came west to Oregon in 1946. When he joined the athletic staff, he took on the duties of ticket manager and handled that role until recently, when he was moved up to athletic business manager and top accountant for the department. Hennessy is well-versed in all financial matters and proved as ticket manager that he has the personality and charm to get along well with people. Among other duties, he is athletic office manager and in charge of grounds and maintenance.

DENNY HEDGES, assistant to the director, is a fine addition to the staff and is a welcome one. Hedges, an OSU graduate, has a solid athletic background, having been a student aide to Barratt while in school. Later, he was manager of Multnomah Civic Stadium and assistant manager of Multnomah Athletic Club. Prior to that, he was assistant admissions control supervisor at Memorial Coliseum in Portland. His responsibilities there included handling of tickets, pay roll, scheduling employees and other management. At OSU, he is in charge of promotions, game management and travel arrangements.

BILL ROBERTSON, head trainer, has been chief of the OSU tape brigade for 23 years, and long has been one of the most popular citizens in the Corvallis community. Famous for his always well-received vocal rendition of "Casey At The Bat" and dozens of other recitations, Bill is much in demand at banquets and social gatherings. The athletes call him "Rope-sole", and his reputation as an athletic trainer ranks right near the top of that field. Robertson originally is from Vancouver, B.C., but became an American citizen many years ago and has lived in the Pacific Northwest ever since. He served in the army in World War II, and saw duty in both Italy and the Aleutians. Bill is a graduate of OSU.

LOREN SOLUM, assistant trainer, is a 1965 graduate of the University of Idaho. He also obtained his master's degree at OSU this past spring. Originally from Wallace, Idaho, Solum played football at Idaho and later was assistant trainer for the Vandals. He coached three sports at Wallace high following graduation, in addition to teaching biology and physical education. He replaces Eddie Ferrell, who resigned in order to return to his home state of Arkansas.

JOHN EGGERS, sports publicity director, recently observed his 19th anniversary on the athletic staff at OSU. He joined the staff on July 1, 1950, as an assistant to director Irwin Harris, and was moved up to the top spot on July 1, 1952. Eggers was born and raised in Pendleton, the "Round-Up City" of eastern Oregon. He was an all-state basketball player at Pendleton high, a prep teammate of Lew Beck who later went on to win all-America fame at OSU and play in the Olympic Games. Eggers played one varsity basketball season at Willamette while only a freshman before enlisting in the Navy for World War II. After discharge, he attended OSU from the fall of 1946 through 1949. Before returning to the OSU staff, he worked for one year as a sports writer on The Oregonian in Portland.

ROD COMMONS, assistant sports publicity director, is a 1966 graduate of OSU and was editor of the Newberg (Ore.) Graphic. He also specializes in photography. Originally from Nashville, Ore., Commons graduated from Siletz high school. He joined the OSU staff on May 1, 1968, and assists Eggers in all phases of the Athletic News Bureau operation, in addition to taking all department pictures. Commons is in charge of a new photography dark room located right next to the office of he and Eggers in Gill Coliseum.

"THE GREAT PUMPKIN"

Dee Andros

Newspaper men affectionately named Deen Andros "The Great Pumpkin" as this colorful coach led his Beavers from one unexpected victory through another. When Dee arrived in San Francisco as a coaching aide for the West team against the East, the S. F. Examiner promptly ran a banner headline titled "Great Pumpkin Here." His colorful coaching apparel includes bright orange jacket, orange and black tie, orange and black shoes, and orange socks.

Dee Andros' only training rule to his players is: "We will not tolerate a player who will embarrass me or the University."

In 1967, Andros was elected "West Coast Coach of The Year" and also was runner-up for the National Coach of The Year honors to John Pont of Indiana. He was head coach for the West team against the East in the annual Coaches All-America Bowl game at Memphis. He has been on the East-West game staff and will be at the Hula Bowl.

Some of Dee's more well-known teammates at Oklahoma included Jim Owens from Washington, Darrell Royal from Texas, Bert Clark (ex-WSU) and Jack Mitchell (ex-Kansas). Dee played football under the late Jim Tatum and Bud Wilkinson at Oklahoma.

He's had lots of experience with Bowl games. While a player at Oklahoma, he went to the Gator Bowl once (they whipped North Carolina State), and to the Sugar Bowl twice (they beat North Carolina and Louisiana State). As an assistant coach at Texas Tech he made it to the Sun Bowl. While with Pete Elliott at California, he got to the Rose Bowl one year.

Andros traditionally charges out on the playing field ahead of his team prior to game time. He admits it's getting to be a bit tougher every year, though. Also, it's tough for the players to not pass him.

As a Marine Corps sergeant on Iwo Jima in World War II, Dee Andros was awarded the Bronze Star for valor in battle. Here's the inscription on his plaque:

"For heroic achievement in connection with operation against the enemy while serving with the Marine Infantry Battalion on Iwo Jima volcanic island from 13 March 1945 to 25 March 1945. Field Cook Andros volunteered for two combat patrols against enemy resistance pocket. As a member of these patrols, he acquitted himself with distinction in the face of accurate machine gun and rifle fire. His devotion to duty was in keeping with the highest traditions of the United States Naval Service.

Andros is in great demand as a public speaker and key figure at civic affairs. He was "King of Fun" at Portland Rose Festival last June, also Grand Marshal of the Miss Oregon Pageant. Also has been Grand Marshal for Lebanon Strawberry Festival and Philomath Frolic. He loves crowds and he loves people.

Other "Orange" items in his repertoire: Bright orange automobile, a basement bathroom at his home completely decorated in orange, orange electric golf cart, orange office desk, orange golf bag, and orange scarf.

OSU Football Outlook 1969

As usual, Dee Andros, "The Great Pumpkin" of college football, will have another strong team in 1969—one capable of giving any opponent trouble on a given day.

It's true that OSU lost some top football players through graduation, many of them from the offensive unit that smashed all the school's records last fall. When you lose athletes like Steve Preece and Bill Enyart and John Didion and Don Summers and many others, it's almost like starting all over again.

The defense should be exceptional, sparked by the return to duty of Jess Lewis, the all-American tackle of 1967 who missed last season because he was a wrestler on the U.S. team at the Olympic Games. Lewis and Guard Bill Nelson (6-7, 260) can keep the opposition honest. Most of the defensive secondary returns, too, and OSU can certainly use the experience there.

Finding a quarterback replacement for Preece was the big task in spring drills. Gary Barton, a junior letterman, and a sharp-passing sophomore, Steve Endicott, possibly looked the best when practice ended. Still, they have competition from Tom Oswald, Ralph Keck, Mike Keck and Jim Kilmartin.

Billy Main, lone returnee from the 1968 offensive backfield, is one of the fine running backs in the country. He led the nation in kickoff return average last fall, averaged better than five yards per rushing carry and was the second best pass-receiver on the squad.

In the four years Andros has been at the OSU helm, his Beavers have finished second three times and just missed the Rose Bowl on each occasion. While the Beavers aren't likely to be considered a Rose Bowl threat this time, you can bet they'll play a big role in determining who ultimately does make the Pasadena trip.

JIM SCHEELE, 6-2, 200, sr. letterman from Portland (Parkrose hi). Plays split end position and good receiver. Looked good in spring drills, likely to start. JEFF KOLBERG, 5-11, 197, soph. from Portland (Lincoln). Red-shirted last fall. Tough and versatile. Son of former OSU backfield great Elmer (Brick) Kolberg. GREG MOBLEY, 6-3½, 180, soph. from Sunnyvale, Cal. Good prospect for future, but lacking in experience now. BILL PLUMEAU, 6-3, 215, sr. letterman from McMinnville. After two seasons as No. 2 man, now has moved up to starting tight end. Good all-around football player. Caught 4 passes for 58 yards in 1968. CLARK HOSS, 6-8, 230, soph. from West Linn. Rangy, but sturdy, and good athlete. ROGER KINDER, 6-3, 200, soph. from Red Bluff, Cal. Another in long line of fine athletes from this northern California city.

DEFENSIVE ENDS

STEVE SHAW, 6-1, 205, sr. letterman from Hoquiam, Wash. two-year veteran, should have his best season. Quick and tough to dislodge. STEVE BIELENBERG, 6-3, 215, soph. from Sunnyvale, Cal. Converted quarterback who looked real good last spring. REX BEHNKE, 6-1, 206, jr. letterman from Red Bluff, Cal. Was great running back as prepper, but good athlete and can play most anywhere. JIM SHERBERT, 6-2, 203, soph. from San Rafael, Cal. A red-shirt last year, destined for far more duty and may win starting spot. RICH LASALLE, 6-2, 205, sr. letterman from Hamilton, Mont. Has won two varsity letters. DAVE BLACKFORD, 6-1, 180, soph. from Corvallis. Another red-shirt, brother of Jim who is a linebacker.

connected on 5 of 9 PAT's and 3 of 10 FG's in 1968. DAVE NIRENBERG, 6-3½, 235, soph. from Santa Barbara, Cal. One of better young prospects in offensive line. May be moved to guard. STEVE MORTON, 6-1, 220, jr. from Cottage Grove, Ore. Came along fast in spring drills. CHRIS HAAG, 6-7, 250, soph. from Salem, Ore. (South Salem). Red-shirted in 1968, ready for real action now. Great size and attitude. CHRIS VEIT, 6-5, 240, soph. from Westminster, Cal. Sure to give Haag close battle for starting nod. FRED HAUCK, 6-1, 235, soph. from Eugene (Sheldon). Third of three good sophomores at this position.

DEFENSIVE TACKLES

JESS LEWIS, 6-1, 230, sr. letterman from Aumsville, Ore. (Cascade Union). Won spot on NEA All-America 1st team two years ago, but missed last season because of Olympic games. Wes wrestler on U.S. squad. NCAA and National AAU mat champion. One of best athletes in America and top candidate for grid A-A honors this fall. Has size, speed, spirit and fortitude. Ex-prep state champion shotputter. ROB JURGENSON, 6-3, 220, soph. from Eugene, Ore. (Churchill). Another up-and-coming young soph. destined for stardom someday. JOHN YOUNGS, 6-0, 205, jr. from Novato, Cal. CRAIG HANNEMAN, 6-3½, 235, jr. letterman from Turner, Ore. (South Salem). Like Lewis, a former fullback. Saw lots of service in soph. campaign and did excellent job. One of best linemen on Beaver squad. SCOTT FREEBURN, 5-11, 205, jr. letterman from Salem, Ore. (South Salem). Extremely quick and real hitter. Smaller than most, but makes up for it in many other ways. TEX GSCHWANDTNER, 6-2, 210, soph. from Folsom, Cal.

OFFENSIVE GUARDS

JOE MIHELICH, 5-11, 225, sr. letterman from Beaverton, Ore. Not spectacular, but completely dependable and consistent. Smart, tough football player. After serving as understudy in '68, moves

up to No. 1 spot. DAN ZELICK, 6-2, 230, soph. from Springfield, Ore. Another red-shirt, and another son of ex-OSU footballer George Zellick, who was starting end on 1942 OSU Rose Bowl team. If he can avoid injuries which have plagued him in past, could be an outstanding lineman. JOHN DAVIS, 6-0, 215, jr. letterman from Hoquiam, Wash. Played a lot of ball as sophomore, and sure to make strong bid for starting job. JIM WATERS, 6-0, 215, soph. from Oxnard, Cal. (Santa Clara).

DEFENSIVE GUARDS

BILL NELSON, 6-7, 260, sr. letterman from Berkeley, Cal. (El Cerrito). One of biggest—and best—linemen in America. Ready for prime senior season and possible all-America honors. Agile for his size and tough to move. BOB JOSSIS, 6-1, 210, jr. letterman from Meridian, Ida. Lettered last year and then had fine spring practice, one of most improved on squad. DALE BRANCH, 6-2, 210, sr. letterman from Tigard, Ore. Seasoned, experienced performer. Not as flashy as some, but extremely dependable and easy to coach. He and Nelson likely will be regulars. MARK DIPPEL, 6-2, 220, jr. letterman from Medford. Played more than most sophomores last year and even better now.

OFFENSIVE CENTERS

MIKE WHITE, 6-2, 240, sr. letterman from Aberdeen, Wash. (Weatherwax). Probably the best second-string center in the country the last two years—he played back of everybody's All-American, John Didion. An outstanding center, sure to make strong bid for A-A acclaim. JACK TURNBULL, 6-3, 230, soph. from Santa Barbara, Cal. One of better young players on squad. DAN RICKARD, 6-2, 235, soph. from Hillsboro, Ore. Considered fine prospect for future.

DEFENSIVE LINEBACKERS

MIKE GROFF, 6-0, 215, sr. letterman from Sacramento, Cal. (Norte Del Rio). Holdover regular, one of the best around. Hits hard, and quickly. WALLY JOHNSON, 5-11, 210, sr. letterman from San Diego (Mt. Miguel). He and Groff give Beavers two fine, experienced linebackers. Rugged tackler. JIM BLACKFORD, 5-11, 190, sr. letterman from Corvallis. Good athlete, a Pacific-8 wrestling champion. MIKE FLAGG, 6-1, 217, soph. from Anderson, Cal. Red-shirted last fall, and sure to see lots of service. JACK FAULKENDER, 6-0, 205, soph. from Sacramento, Cal. (El Camino). One of best young prospects in years, following brilliant prep career. Underwent knee surgery last fall. BUTCH WICKS, 5-9, 230, soph. from Cottage Grove, Ore. His presence adds good depth to linebacking brigade and sure to play a lot of football for the Beavers.

OFFENSIVE QUARTERBACKS

GARY BARTON, 5-11, 185, jr. letterman from Baker, Ore. Saw only brief service in 1968 because the great Steve Preece was starting signal-caller. Talented, though, and a leading contender for the open QB post. Runs option play well and good on his pitchouts. An adequate passer.

STEVE ENDICOTT, 5-11, 185, soph. from Grants Pass, Ore. Led prep team to state title two years ago, also fine baseball and basketball player. Looked only fair on freshman squad, but far better in spring drills and impressed all in final spring game—especially with his pin-point passing, both long and short. Good leader and hustler. RALPH KECK, 5-11, 190, soph. from Woodlake, Cal. Also looked good in spring drills, following red-shirt year in 1968. TOM OSWALD, 6-0, 185, soph. from Cheney, Wash. DEFENSIVE HALFBACKS

MEL EASLEY, 6-1, 205, sr. letterman from Palo Alto, Cal. (Ravenswood). A two-year regular who missed much of last season because of leg injury. Covers lots of ground and rugged hitter. DON WHITNEY, 6-0, 175, sr. letterman from Pendleton, Ore. Key performer past two seasons, should be even better in 1969. Smart player, usually in right place. RICK HARRINGTON, 5-8, 170, sr. letterman from Portland, Ore. (David Douglas). Adds more depth to defensive secondary and a valuable addition. DENNIS DRAPER, 6-0, 175, soph. from McMinnville, Ore. Outstanding freshman award winner in 1969, a real prospect for future.

OFFENSIVE HALFBACKS

SAL CIRINCIONE, 5-8, 195, jr. reserve holdover from Chicago, Ill. (St. Patrick). Red-shirted two years ago and did not play last year, but may get his big chance the third time around. Hard-runner with power. BRYCE HUDDLESTON, 5-8, 170, sr. letterman from Merced, Cal. Enjoyed his best spring practice yet and could be a starter. Good quickness and runs hard for a man his size.

Career Record:	TCB	YG	YL	NYG	TD	PC	YDS.	TD
1968	27	76	20	56	0	0	0	0

JOE DAVIS, 5-11, 185, soph. from Citrus Heights, Cal. (San Juan). Surprised all with fine spring performance. JERRY McBURNEY, 6-0, 185, soph. from Albany, Ore. One of best running backs on squad in spring drills until he injured leg that required surgery. If well, can help.

Dave Nirenberg

OFFENSIVE WINGBACKS

LARRY WATSON, 6-0, 200, jr. letterman from Portland, Ore. (David Douglas). Hard runner and diligent worker. Good athlete and excellent student. Last year had 3.2 average and scored a touchdown.

Career Record:	TCB	YG	YL	NYG	TD	PC	YDS.	TD
1968	16	55	4	51	1	2	11	0

BILL CARLQUIST, 5-11, 190, soph. from Dunsuir, Cal. One of many fine northern California athletes on OSU squad, and he could be a starter. Red-shirted last fall. Good quickness. GARY KAMO, 5-9, 175, jr. holdover from Vale, Ore.

OFFENSIVE FULLBACKS

BILLY MAIN, 5-11, 205, sr. letterman from Lafayette, Cal. OSU's top offensive all-America candidate. Regular wingback as soph. and junior and has all the statistical credentials. Moved to fullback last spring, following departure of All-America Bill (Earthquake) Enyart, and had no trouble whatsoever making the adjustment. Good speed—has been school intramural champion in both 100 and 220 and can run under 10 flat. Had best kickoff return average in nation last fall (32.1). Excellent receiver, second best on squad in 1968. Capable of going all the way anytime.

Career Record:	TCB	YG	YL	NYG	TD	PC	YDS.	TD
1968	125	667	33	634	9	14	230	4

Totals	237	1261	63	1198	13	25	432	6

ROGER SMITH, 5-11, 224, soph. from Portland, Ore. (Cleveland). State prep discus record holder, also a powering fullback of the Enyart type. Good speed for his size. RALPH SHOW, 6-1, 200, soph. from Sunnyvale, Cal. (Homestead). Can go at halfback or wingback, too, a good athlete. Impressed all with running in spring game. DAVE SCHILLING, 6-3, 217, soph. from Hillsboro, Ore. Missed spring drills due to scholastic problems, but if he has them straightened out could be a valuable addition to OSU football.

DEFENSIVE SAFETY

LARRY RICH, 5-10, 180, sr. letterman from McMinnville, Ore. Lettered in 1967 and a regular last year. Intercepted 6 passes for 67 yards return. Also regular centerfielder on baseball team. MARK WALETICH, 5-11, 187, sr. letterman from Portland (Wilson). Did not play last year, but in 1967 intercepted 3 passes and topped OSU squad in punt returns. Exceptional hitter. DAVE GRAMHAM, 5-11, 170, soph. from Puyallup, Wash. Had fine spring practice and much improved.

SPECIALISTS

MIKE NEHL, 6-0, 195, jr. letterman from Bend, Ore. Probably will handle both placekicking and punting chores in 1969. Last fall, he punted 49 times for 40.7 average, but did not place-kick. Was tremendous in spring game—on both counts—and one of his punts traveled 71 yards. If he gains consistency, could become one of best in Beaver history.

5 Beavers Named All-Coast in 1968 By UPI

Oregon State's 1968 football team landed five men on the United Press International All-Pacific Coast first team—a record for the school.

Elected on the first team offense were Fullback Bill Enyart, Center John Didion, Tackle Roger Stalick and Guard Rocky Rasley. Lone Beaver on the defensive unit was Jon Sandstrom, burly guard who made the Coaches All-America team in 1967. Enyart and Didion were 1968 all-Americans.

Opposing Coaches High On Billy Main

Billy Main, Oregon State's running back who returns for his final season in 1969, has not only impressed his own coaches, but the opposing coaches as well.

A quote from Johnny McKay of USC on Main: "I was asked who the best halfback in the Pacific-8 conference was, other than O. J. Simpson, last year. I'll tell you my choice. That Billy Main kid at Oregon State. He's about 200, he ran the trap play better than anyone, he's got the speed to break outside and he was their best receiver. He can really catch. I know about that because he got one for 74 yards against us."

A quote from Frank Kush of Arizona State: "We've played against Main twice, now, and haven't stopped him yet. He caused us more trouble than Enyart (Bill, the all-American fullback) did."

Beaver Band Tops

James M. Douglass

Yes, as you might expect, Oregon State University already has one of the top marching bands in America and will strive to be even better in the years ahead.

One of the big reasons for all this is James M. Douglass, 32-year-old Director of Bands at OSU who is regarded as one of America's finest trumpet soloists. Douglass succeeded the late Ted Mesang, who had been OSU band director since 1949 and who also had done a tremendous job.

Jim has appeared as trumpet soloist, brass clinician and guest conductor in Canada and throughout the United States. In 1965, he was first chair and soloist with the famous University of Michigan Symphony Band under the direction of William D. Revelli.

Douglass now holds a master's degree from Ohio University. He obtained his B.S. degree from the University of Denver, and has done work towards his Doctor of Musical Arts degree at Michigan. In the list of teachers under whom he has studied are such famous men as Rafael Mendez, Renold Schilke, Vachianao and Giesler.

OSU's halftime shows at football games last fall were tremendous, and appeared on both national and regional TV. The music the band plays seems to "lift" the team emotionally, and it also has a big effect on those in the stands, both students and others included. It's a 150-piece band, by the way, and probably the best on the entire Pacific Coast.

Like the athletic teams at Oregon State, the Beaver band is a real winner.
